A Complete E-commerce Supply Chain Solution

The screenshot displays the FFOder client control panel interface. The top navigation bar includes the FFOder logo, a 'My Agent' button, a globe icon, a '\$3' balance indicator, a browser address bar showing 'yshopify.com', a 'Feedback' button, and a user profile icon labeled 'HMV3'. The left sidebar contains a menu with categories: Business (Dashboard, Profile), Products (FFOrder Products, Featured Product, Quotations, Connection, Release Record), Stock (My stock), and Orders (Orders, Tracking, After Sales Order, Fill Price Differen, Undelivered Orde). The main content area is titled 'Orders(1)' and features a 'Sync Store Orders' button. Below this is a filter bar with tabs: All, Unconnect, Awaiting order (highlighted with a red box), Awaiting payment, Paid, Fulfilled, Refunded, Cancelled, and Listing on Hold. A search filter section includes fields for Product Name, platform creation time (Start date to End date), Country, Order ID, Quantity, and State. A 'Search' button and a 'Reset' link are also present. Below the search filters are buttons for 'Place Selected Orders' and 'On hold'. The main area contains a table with the following columns: Cover, Order, Total, Cost, Date, Shipping To, Completed, My Store, Supplier Order (Paid), and Actions. The table lists one order with the following details: Order #1009, Total USD 59.80, Date 2026-01-19 10:11:33, Shipping To wei bin (United States), Completed 0 / 2, My Store Unfulfilled, and Supplier Order (Paid) 0 / 2. The 'Place Order' button in the Actions column for this order is highlighted with a red box. A red arrow points from the 'Awaiting order' filter to the search filters, and another red arrow points from the 'Orders' menu item in the sidebar to the table.

After customers complete payment for their orders in your store, the orders will automatically sync to the FFOder client control panel. Go to the "Pending Orders" page, select the order, and click "Place Order."
